### What is PartnershipsInAction Golf?

PartnershipsInAction Golf is an initiative of the Aga Khan Foundation U.S.A. (AKF USA), a non-profit international development agency that seeks to improve opportunities and livelihoods of communities in the developing world.

For a quarter century, AKF USA has been investing in people and extending a helping hand to communities and individuals so they may live with dignity and hope. Your contribution can make a tremendous impact on saving lives, educating children and helping families to lift themselves out of poverty.

100% of donations and all net proceeds from golf tournaments go directly to projects supported by the Foundation; *not a cent* is spent on administration!

A variety of attractive sponsorship opportunities with value-added benefits and special gifts and prizes are available.

Each player registration includes unlimited use of the driving range and practice facilities on the morning of the tournament, golf cart, terrific tee prizes, a boxed lunch, a variety of pre-tournament and on-course activities and contests followed by a gourmet banquet and awards ceremony in the St. Andrews Ballroom.

Here is a unique opportunity to create awareness about international development while enjoying a day out on the golf course with friends and colleagues.
